

## Call

### Photo competition „School for Health”.

#### 3rd edition: „I help”

The students of the University of Medicine and Pharmacy of Craiova are invited to express their creativity and passion by participating in the student photography competition "School for Health", 3rd edition: "I help".

Being a student is a time of discovery and memorable moments. What experiences in the classrooms or laboratories of UMF Craiova impressed you so much that you want to keep them forever? What does "Help" mean to you? What gestures of medical solidarity have touched your heart and inspired you?

Now is the time to show the world your unique perspective! Photograph those moments that need no words, those images that speak about you, about your journey as a student at UMF Craiova and about the emotions that define you.

Don't miss your chance to leave your visual mark on your time at UMF! Send us the photo that reflects your vision and story!

#### **Comply with the DGPR!**

Participants to the contest agree to comply with the European data protection rules, GDPR, as well as the patient's rights regarding confidentiality and personal integrity. The photos will not include any personally identifiable information such as: name, surname, personal numerical code, location data, online account name, as well as information related to physical, genetic, psychological, social, economic or cultural identity.

#### **Calendar**

Registration: October 23, 2024 - November 1, 2024

Jury: November 4, 2024

Results announcement: November 6, 2024

### **Excerpt from the regulation**

- Registration implies acceptance of these rules.
- Photos will be sent online to [comunicare@umfcv.ro](mailto:comunicare@umfcv.ro) or by a digital courier such as [wetransfer.ro](http://wetransfer.ro). Please wait for confirmation of receipt
- Photos must be 3500 px wide.
- Each participant will enter the competition with 3 photos.
- Please attach the completed application form and declaration of consent with the photos in the message.
- Participants can only submit original photographs, taken during the practical activities of UMF Craiova. Creativity, expressiveness, original angles of approach will be sought.
- The competition promotes the values of higher medical education, the principles of thorough education, the impact of practice in the training of future physicians.
- The organizers do not recommend entering photos that are excessively digitally processed: exaggerations of color, contrast, color shifts and any other obvious changes.

### **Jury**

The jury is composed of UMF Craiova teachers and invited members, photographers, art critics.

### **Use of photos and copyright**

Participants cede to the organizers the right to reproduce their photographs in exhibitions and published materials for the purpose of promoting UMF Craiova; the organizers guarantee to mention the names of the authors alongside the reproduced works.

### **Awards**

Four prizes and related diplomas of recognition will be awarded: the "Dr. Dimitrie Gerota" prize, the "Dr. Victor Gomoiu" prize, the "Dr. Charles Laugier" prize, the "Dr. Ștefan I. Jianu" prize.

Failure to comply with any of the above-mentioned conditions entails the disqualification of the competitor or the work in question.
